APPLICATION AND AFFIDAVIT OF THE)
UNITED STATES OF AMERICA FOR A) Magistrate No. 2:22-mj-265
SEARCH WARRANT OF THE ADDRESS)
2474 QUARRY LAKE DRIVE, COLUMBUS) [UNDER SEAL]
OHIO 43204)

I, Justin D Koble, Postal Inspector with The United States Postal Inspection Service, being duly sworn, depose and say:

1. I am a United States Postal Inspector with the United States Postal Inspection Service (USPIS) and have been so employed since July 2014. I am currently assigned to the Narcotics and Money Laundering Team at the USPIS's Columbus, Ohio field office. In this capacity, I am responsible for investigating the illegal use of the United States Mails for the purpose of transporting controlled substances such as methamphetamine, heroin, fentanyl, fentanyl-related analogs, cocaine, and other controlled substances, in violation of, among other statutes, Title 21, United States Code, § 841(a)(1) (manufacturing, distribution, or possession with the intent to manufacture or distribute a controlled substance), 843(b) (unlawful use of a communication facility in the commission of a crime), and 846 (drug conspiracy). In addition, I am responsible for investigating possible violations of Title 18, United States Code, § 1956 and 1957 (money laundering).
2. I have been involved in the investigation and discovery of drug contraband and drug proceeds on numerous occasions. I have personally been the affiant for search warrants that have resulted in the discovery of controlled substances and drug proceeds. My current assignment to the Columbus Processing and Distribution Center (P&DC) involves investigating the use of the U.S. Mails by drug traffickers, in which established drug package profiles, surveillance, and drug detection dogs, among other investigative tools, are utilized.
3. I have knowledge of the facts set forth in this Affidavit based on my own participation in this investigation as well as other sources identified herein.
4. In a substantial number of residential search warrants executed in connection with the drug investigations in which I and fellow Postal Inspectors, HSI Special Agents, DEA Special Agents and Central Ohio HIDTA Task Force Officers, have been involved, the following kinds of drug-

related evidence have typically been recovered from the residences and other locations utilized by drug-traffickers:

- Controlled substances, such as marijuana, heroin, fentanyl, methamphetamine, and powder cocaine.
 - Paraphernalia for packaging, processing, diluting, weighing, and distributing controlled substances, such as scales, funnels, sifters, grinders, glass panes and mirrors, razor blades, plastic bags, microwave ovens, heat-sealing devices, and dilutants such as mannitol.
 - Books, records, receipts, notes, ledgers, and other papers relating to the distribution of controlled substances.
 - Personal books and papers reflecting names, addresses, telephone numbers, and other contact or identification data relating to the distribution of controlled substances.
 - Cash, currency, and records relating to controlled substances income and expenditures of money and wealth, for example: money orders, (Western Union, USPS, MoneyGram), wire transfers, cashier's checks and receipts, bank statements, passbooks, checkbooks, check registers, and cryptocurrency cold storage devices, as well as precious metals such as gold and silver, and precious gems such as diamonds.
 - Documents indicating travel in interstate and foreign commerce such as travel itineraries, plane tickets, boarding passes, motel and hotel receipts, passports and visas, credit card receipts, telephone bills and rental car agreements.
 - Electronic storage devices, such as hard drives, USB drives, or digital video recording devices (DVRs).
 - Mobile electronic communication devices, such as cellular telephones, electronic storage devices, such as GPS devices and portable media players, and other such mobile electronic devices that store data, as well as the content therein.
 - Firearms and other dangerous weapons; and
 - Photographs, in particular, photographs of co-conspirators, assets, and/or drugs.
5. In addition, during the course of such searches, I and other agents have also found items of personal property that tend to identify the person(s) in the premises as well as the occupancy, control, or ownership of the subject premises. Such identification evidence is typical of the articles people commonly maintain in their residences, such as canceled mail, deeds, leases, rental agreements, photographs, personal telephone books, utility and telephone bills, statements, identification documents, and keys to safe deposit boxes and storage facilities.

6. Based upon my training and experience, as well as the knowledge and experience of other agents and police officers involved in this investigation, I am aware that it is generally a common practice for drug traffickers to store their drug inventory and drug-related paraphernalia (as described above) in their residence or business under their control. Further, it is generally a common practice for drug traffickers to maintain in their residence or business under their control, records relating to their drug trafficking activities. Because drug traffickers in many instances will “front” (that is, sell on consignment) controlled substances to their clients, or alternatively, will be “fronted” controlled substances from their suppliers, such record-keeping is necessary to keep track of amounts paid and owed. Such records will also be maintained close at hand so as to readily ascertain current balances. Often drug traffickers keep “pay and owe” records to show balances due for drugs sold in the past (“pay”) and for payments expected (“owe”) as to the trafficker’s supplier and the trafficker’s dealer(s). Additionally, drug traffickers must maintain telephone and address listings of clients and suppliers and keep them readily available in order to efficiently conduct their drug trafficking business.
7. Based upon my training and experience, I also am aware that it is a generally common practice for traffickers to conceal at their residence or business under their control, large sums of money which represents the proceeds of drug sales or money to be used to purchase additional controlled substances. The large amounts of U.S. currency are necessary to maintain and finance their ongoing drug distribution business. In this connection and context, drug traffickers typically make use of wire transfers, cashier’s checks, and money orders to pay for controlled substances. Evidence of such financial transactions and records relating to income and expenditures of money and wealth in connection with drug trafficking would also typically be maintained in these premises.
8. Based upon my training and experience, drug traffickers commonly have in their possession, that is, on their person, at their residence or other locations in their control, firearms, including but not limited to handguns, pistols, revolvers, rifles, shotguns, machine guns and other weapons. I also am aware that, typically, drug traffickers possess these firearms and other dangerous weapons to protect their profits, supply of drugs, and themselves from others who might attempt to forcibly take the traffickers’ profits and/or supply of drugs.
9. Further, I am aware that drug traffickers maintain books, records, receipts, notes, ledgers, airline tickets, money orders, and other papers relating to the transportation, ordering, sale, and distribution of controlled substances; furthermore, I know that the aforementioned books, records,

- receipts, notes, ledgers, etc. are generally maintained where the traffickers have easy and ready access to them, including in their residences, automobiles, or other locations under their control.
10. Further, I am aware that persons involved in drug trafficking conceal in their residences, automobiles, or other locations under their control, currency, financial instruments, precious metals, jewelry, and other items of value and/or proceeds of drug transactions, as well as evidence of financial transactions relating to obtaining, transferring, secreting, or spending large sums of money derived from drug trafficking activities.
 11. When drug traffickers amass proceeds from the sale of drugs, they often attempt to legitimize these profits, or otherwise conceal them from discovery by law enforcement officers. To accomplish these goals, drug traffickers often use different techniques, including but not limited to foreign and domestic banks and their attendant services; securities; cashier's checks; money drafts; letters of credit; brokerage houses; the purchase of real estate; as well as shell corporations and business fronts to conceal the true ownership and illegal source of the proceeds.
 12. Further, I am aware drug traffickers commonly maintain books or papers that reflect names, addresses and/or telephone numbers of their associates in the trafficking organization. Also, drug traffickers take or cause to be taken photographs of them, their associates, their property, and their product, and these photographs are usually maintained in their possession or residence.
 13. Further, I am aware drug traffickers usually keep paraphernalia for packaging, cutting, weighing, and distributing drugs; and the paraphernalia would include, but are not limited to scales, plastic bags, cutting agents, and other devices used for packaging to aid in the concealment of the drug for its distribution. These items are necessary for the drug trafficker to carry on their drug distribution operation.
 14. Further, I am aware that drug traffickers often operate under assumed names, street names, or nicknames in order to conceal their true identities from law enforcement officers, and in so doing, acquire property, services, and personal identification (such as driver's licenses and birth certificates) under their assumed or alias names. Also, they maintain documents of their false identities in their residences and automobiles, together with evidence of their true identities.
 15. I have knowledge that drug traffickers commonly conceal their activities from members of the public by transacting their business in a covert manner and frequently conducting their business during the nighttime hours when darkness helps conceal their activities. Further, it is highly unusual for individuals engaged in drug trafficking activities to associate in their businesses or social activities with others not engaged in the same drug trafficking activities.

16. I have knowledge that it is common for drug dealers to secrete contraband, proceeds of drug sales, and records of drug transactions in secure locations within their residence for their ready access and to conceal them from law enforcement authorities.
17. My awareness of these drug trafficking practices, as well as my knowledge of drug use and distribution techniques as set forth in this Affidavit, arise from the following:
 - My own involvement in prior drug investigations and searches during my career as a law enforcement officer, as previously described.
 - My involvement on a number of occasions in debriefing confidential informants and cooperating individuals in prior drug investigations, as well as what other agents and police officers have advised me when relating the substance of their similar debriefings and the results of their own drug investigations.
 - Discussion with other members of the USPIS and law enforcement officers, both about the facts of this case in particular and about trafficking in general.
 - The information contained in this Affidavit is based on my personal observation; my training, experience, and knowledge; my review of documents and evidence obtained during the investigation; interviews of cooperating individuals; and information obtained from investigators of the USPIS and Central Ohio HIDTA Task Force Officers.
18. I make this Affidavit in support of an application for the issuance of a search warrant for the premises located at 2474 Quarry Lake Drive, Columbus, Ohio 43204, (the “TARGET LOCATION”). The TARGET LOCATION is described as a three-story, multi-family residence. The exterior of the section of the building containing the TARGET LOCATION is yellow siding with white trim and tan stone accents. The words “BLDG #3 2472-2482 EVEN” are printed above the entrance to the common breezeway which is the middle of three breezeways located on the building. The TARGET LOCATION is located on the first floor of this building. The door to the TARGET LOCATION is the left of two doors located at the rear of the ground-level breezeway. The door is dark blue or grey with white trim. The numbers “2474” are printed in black on a gold background at the top of the door.
19. The following “Target Offenses” are the subject of this investigation:
 - A. Title 21 United States Code § 841(a) makes it a crime to manufacture, distribute, or dispense, or possess with intent to manufacture, distribute, or dispense, a controlled substance.
 - B. It is unlawful for any person knowingly or intentionally to use any communication facility in committing or causing or facilitating the commission of any act or acts

constituting a felony under any provision of this subchapter or subchapter II of this chapter. Each separate use of a communication facility shall be a separate offense under this subsection. For the purpose of this subsection, the term “communication facility” means any and all public and private instrumentalities used or useful in the transmission of writing, signs, signals, pictures, or sounds of all kinds and includes mail, telephone, wire, radio, and all other means of communication, Title 21 USC § 843(b).

- C. Title 21 United States Code § 846 makes it a crime to attempt or conspire to commit any offense defined in Title 21 United States Code § 841.

Probable Cause

20. In December 2021, US Postal Inspectors in Columbus, Ohio seized the United States Postal Service (USPS) Priority Mail parcel bearing USPS tracking number 9505 5131 8438 1334 9188 34 (the “Summit St PARCEL”). The Summit St PARCEL was addressed to To: Thomas Leonard, 1337 Summit Street, Columbus, Ohio 43201” with a return address of “From: Tracie Thurmond, 2516 Segouia, La Verne, Ca 91750”. The Summit St PARCEL weighed approximately 36 pounds, 12.6 ounces and was mailed from La Verne, CA 91750. A federal search warrant for the Summit St PARCEL was applied for and granted in the Southern District of Ohio. The search warrant was executed resulting in the seizure of approximately 11.45 kilograms of suspected methamphetamine from the Summit St PARCEL.

21. Checks of law enforcement databases determined the resident of 1337 Summit Street, at the time the Summit St PARCEL was to be delivered, was Stephanie Toles (S. TOLES).

22. During a review of USPS business records related to the Summit St PARCEL, which included but was not limited to customer tracking inquiries, internet protocol (IP) addresses associated with customer tracking inquiries, and related shipments to the delivery address, US Postal Inspectors identified a unique IP address associated with online customer tracking inquiries related to the Summit St PARCEL. This specific IP address was assigned to the internet service provider (ISP) AT&T Internet Services and geolocated to Columbus, Ohio. A subpoena was issued to AT&T Internet Services requesting subscriber information associated with the IP address.
23. In response to the subpoena, AT&T Internet Services provided a service address of 3255 McKinley Avenue, Columbus, Ohio 43204 as well as billing information indicating the account was registered in the name Jada Monet, with a phone number of 951-337-6594, and an email address of mhuss1187@gmail.com. A subpoena was issued to Verizon Wireless, the carrier for the phone number provided with the account information from AT&T Internet Services. Verizon Wireless identified Mohamed Ahmed Hussein (HUSSEIN) as the subscriber for the phone number. The name Mohamed Hussein and HUSSEIN's date of birth (11/12/1987), also coincides with the email address provided by AT&T Internet Services.
24. US Department of Homeland Security (HSI) Special Agents conducted a search of US border crossings for HUSSEIN and learned on November 29, 2021, HUSSEIN had crossed from Mexico into the United States driving a black 2018 BMW. During this crossing the passenger of the vehicle was a Jada Monet Thompson (THOMPSON).
25. Checks of law enforcement databases determined HUSSEIN has a lengthy criminal history to include charges for possession of large amounts of narcotics. HUSSEIN also has several addresses in the same geographic area of California where numerous parcels associated with this investigation have originated.
26. Through additional review of USPS business records, US Postal Inspectors identified the USPS Priority Mail parcel bearing tracking number 9505 5145 2328 1328 7941 35 (the "18th Ave PARCEL"). The 18th Ave PARCEL was addressed to "To: Jason Keys, 1109 E. 18th ave, Columbus, Ohio 43211" with a return address of "From: Melyssa Pinedo, 1121 Belleville Ct, Claremont, Ca 91711". The 18th Ave PARCEL weighed approximately 39 pounds, 3.2 ounces and was mailed from San Dimas, CA 91773. A federal search warrant for the 18th Ave PARCEL was applied for and granted in the Eastern Division of California. The search warrant was executed resulting in the seizure of approximately 11.32 kilograms of suspected methamphetamine from the 18th Ave PARCEL.

27. Through further review of USPS business records related to the seizures of the Summit St PARCEL and the 18th Ave PARCEL, investigators identified several addresses in the Columbus, Ohio metro area which had received similar parcels from the same geographic area of California. These parcels were also similar in weight and were paid for in cash. Many of these addresses were also found to have received USPS parcels from the Las Vegas, Nevada metro area.
28. Among the addresses, US Postal Inspectors identified the address 148 N Gould Road, Columbus, Ohio 43209. USPS business records indicate between March 2021 and the present, this address has received at least ten USPS Priority Mail parcels from southern California and the Las Vegas, Nevada metro area. Checks of law enforcement databases determined one of the current residents of the address to be Autumn Jordan (JORDAN).
29. US Postal Inspectors also identified the address 3180 Elim Manor Court, Unit 112, Columbus, Ohio 43232. USPS business records indicate between March 2021 and the present, this address has received at least twelve USPS Priority Mail parcels from southern California and the Las

Vegas, Nevada metro. Checks of law enforcement databases determined one of the current residents of the address to be Terrell Harris (HARRIS).

30. On January 25, 2022, US Postal Inspectors identified the USPS Priority Mail parcel bearing USPS tracking number 9505 5066 2566 2024 0171 93 (the Gould Rd PARCEL), along with the USPS Priority Mail Parcel bearing USPS tracking number 9505 5066 2566 2024 0171 79 (the Elim Manor PARCEL #1). These parcels were mailed from North Las Vegas, Nevada 89031 at approximately the same time using a USPS Self Service Kiosk (SSK) located inside the postal facility. A SSK allows a USPS customer to mail parcels and items without having to interact with USPS employees. An image of the mailer of the Gould Rd PARCEL and the Elim Manor PARCEL #1 was obtained by investigators. The mailer of each parcel was identified by Ohio driver's license photo as Tiauna Christine Castro (CASTRO). CASTRO was previously a resident of Ohio but now resides in Las Vegas, Nevada.

31. On January 26, 2022, US Postal Inspectors interdicted the Gould Rd PARCEL and the Elim Manor PARCEL #1 upon arrival at the USPS Columbus, Ohio Processing and Distribution Center.
32. The Gould Rd PARCEL was observed to be addressed to "Jessie Fowler, 148 N. Gould Rd, Columbus, OH 43209" with a return address of "Rebecca Harris, 4344 Countryside Glen Court, North Las Vegas, NV 89084". The Gould Rd PARCEL was a USPS Priority Mail large flat-rate mailing box weighing approximately 7.41 pounds. Checks of open-source, USPS, and law enforcement databases were conducted to determine the validity of the return and destination

information contained on the mailing label affixed to the Gould Rd PARCEL. Checks of USPS databases determined “4344 Countryside Glen Court” to be a valid and deliverable address in the 89084 zip code. Checks of law enforcement databases failed to associate the name “Rebecca Harris” to the address. Checks of USPS databases determined “148 N. Gould Rd” to be a valid and deliverable address in the 43209 zip code. Additional checks of law enforcement databases failed to associate the name “Jessie Fowler” to the address.

33. The Elim Manor PARCEL #1 was observed to be addressed to “T. Harris, 3180 Elim Manor Court, Unit 112, Columbus, OH 43232” with a return address of “Rebecca Harris, 4344 Countryside Glen Court, North Las Vegas, NV 89084”, the same return address indicated on the Gould Rd PARCEL. The Elim Manor PARCEL #1 was a USPS Priority Mail large flat-rate mailing box weighing approximately 7.2 pounds. Checks of open-source, USPS, and law enforcement databases were conducted to determine the validity of the destination information contained on the mailing label affixed to the Elim Manor PARCEL #1. Checks of USPS databases determined “3180 Elim Manor Court Unit 112” to be a valid and deliverable address in the 43232 zip code.

34. On January 27, 2022, at approximately 10:07 a.m. EST, the Gould Rd PARCEL was delivered to 148 N. Gould Rd by a US Postal Inspector serving in an undercover capacity as a USPS letter carrier. After knocking, the door of the residence was answered by a black female, later identified by Ohio driver's license photo as JORDAN. The parcel was delivered directly to JORDAN who took it inside the residence. The undercover US Postal Inspector observed JORDAN was speaking to an unknown black male via video chat on a tablet at the time of delivery. While receiving the parcel, JORDAN stated "it's here", presumably to the black male on the phone.
35. On January 28, 2022, at approximately 12:54 p.m. EST, the Elim Manor PARCEL #1 was delivered to 3180 Elim Manor Court Unit 112 by a US Postal Inspector serving in an undercover capacity. Immediately upon entering the building, the undercover US Postal Inspector was approached by a black male, later identified as HARRIS, wearing a black and red plaid coat. HARRIS told the undercover US Postal Inspector the parcel was for him and produced identification confirming he was in fact the "T. Harris" indicated on the Elim Manor PARCEL #1. The undercover US Postal Inspector gave HARRIS the parcel and departed the area.
36. Surveillance units observed HARRIS exit the main entrance of 3180 Elim Manor Court, still carrying the parcel. HARRIS was observed getting into the driver's side of a dark colored Honda sedan which was covered in snow indicating it had not been driven recently. After sitting in the

vehicle for several minutes, HARRIS exited the vehicle without the parcel and began talking to other individuals in the parking lot. At approximately 12:40 p.m., HARRIS was observed walking north on Elim Manor Court before walking west on Elim Estates Drive. As HARRIS walked past surveillance units, he was observed to be carrying a large black trash bag. The trash bag appeared to contain an object consistent with the size, shape, and weight of the Elim Manor PARCEL #1. HARRIS continued traveling west on Elim Estates Drive, eventually walking out of view of surveillance units. Surveillance units pulled onto Elim Estates Drive facing west and were unable to locate HARRIS.

37. On January 31, 2022, CASTRO was again captured on SSK surveillance cameras at two different USPS locations in Las Vegas, Nevada mailing USPS Priority Mail parcels to 368 N Roosevelt Avenue, APT 1, Columbus, Ohio 43209, 2801 Berwick Square, Columbus, Ohio 43232, and 4949 Crosscreek Drive, Columbus, Ohio 43232. Although not known to investigators at the time, these addresses were later determined to be associated with this drug trafficking organization.

38. US Postal Inspectors also identified the address 2527 Peekskill Drive, Columbus, Ohio 43219.

USPS business records indicate between March 2021 and the present, this address has received at least nine USPS Priority Mail parcels from southern California and the Las Vegas, Nevada metro area to include four parcels mailed from the same post office as the Summit St PARCEL and one parcel mailed from the same post office as the 18th Ave PARCEL. These five parcels ranged in weight from approximately thirty-one pounds to forty-four pounds and were each paid for in cash.

39. On February 11, 2022, US Postal Inspectors interdicted the USPS Priority Mail parcel bearing USPS tracking number 9505 5066 6901 2039 4104 12 (the “Peekskill Dr PARCEL”) upon arrival at the Oakland Park Post Office, 2200 Innis Rd, Columbus, OH 43224. The Peekskill Dr PARCEL was observed to be addressed to “Sherita Towns, 2527 Peekskill Dr, Columbus, OH 43219” with a return address of “Candice Howard, 3641 Remington Grove Ave, North Las Vegas, NV 89081”. The Peekskill Dr PARCEL was a USPS Priority Mail size large flat-rate mailing box. USPS business records indicate the Peekskill Dr PARCEL was mailed from the Crossroads Post Office, 6210 N Jones Blvd, Las Vegas, NV 89130, at approximately 9:56 p.m. PST on February 8, 2022. The Peekskill PARCEL weighed approximately 9 pounds 13 ounces and was mailed using a USPS SSK. Again, images obtained from the SSK determined CASTRO to be the mailer.

40. On February 11, 2022, at approximately 10:15 a.m. EST, surveillance units observed two vehicles arrive at the residence at approximately the same time. The first, a Dodge Durango, was operated by a black female with red hair, later identified by Ohio driver's license photo as Cierra Stratton Zebib (STRATTON). The passenger of the vehicle was later identified by Ohio driver's license photo as Krystle Holland (HOLLAND). Both females entered the residence at 2527 Peekskill Dr

through the front door. A short time later a brown Chevy Malibu bearing Florida license plate JBJN68 arrived at the residence and parked behind the Dodge Durango in the driveway. The driver and only observed occupant was a black male with a large build wearing a yellow hooded sweatshirt, later identified by Ohio driver's license photo as Wesley D. Johnson (JOHNSON). JOHNSON exited the vehicle and entered the residence through the front door as well.

JOHNSON is believed by investigators to be the husband of CASTRO.

41. A few minutes later STRATTON, HOLLAND, and JOHNSON exited the house with JOHNSON talking on a cell phone. JOHNSON and STRATTON then walked to the rear cargo area of the Dodge Durango and opened the hatch. STRATTON retrieved a small green wrapped bundle from this cargo area and handed it to JOHNSON. All parties then went back into 2527 Peekskill Dr together. While in the front yard it appeared, STRATTON introduced JOHNSON to HOLLAND.

42. A short time later STRATTON and HOLLAND exited the residence and departed in the brown Chevy Malibu. JOHNSON exited the residence a short time later and departed in the Dodge Durango STRATTON and HOLLAND had originally arrived in (the parties had switched vehicles at the residence).
43. On February 11, 2022, at approximately 11:34 a.m. EST, the Peekskill Dr PARCEL was delivered to 2527 Peekskill Drive, Columbus, Ohio 43219 by a US Postal Inspector serving in an undercover capacity. At the time of delivery, an unidentified black female was waiting inside the glass storm door of the residence. When the undercover US Postal Inspector approached, the unknown black female opened the storm door and took delivery of Peekskill Dr PARCEL. The undercover US Postal Inspector departed the area without incident.
44. At approximately 1:30 p.m. EST, a silver Acura TLX bearing Ohio temporary license plate N694056 arrived at 2527 Peekskill Drive and parked in the driveway. A large-build black male

with a large beard, blue sweatshirt and blue pants, later identified by Ohio driver's license as Deysuan Shalee Wells (WELLS), exited the passenger seat of the vehicle, went to the front door of 2527 Peekskill Dr, and knocked on the door. While WELLS was on the front porch, a black female, later identified by Ohio driver's license photo as Christy Jones (JONES), exited the driver's seat to the vehicle and walked around to the trunk of the vehicle which was ajar. Checks of Ohio vehicle registration records indicate JONES to be the owner of the silver Acura TLX. JONES then returned to the driver's seat. WELLS was seen taking possession of a USPS parcel matching the size and appearance of the Peekskill Dr PARCEL. WELLS then placed the parcel in the open trunk of the Acura TLX. Surveillance units observed and photographed WELLS appear to tear the mailing labels off of the box before getting back into the front passenger seat of the vehicle. The vehicle then departed the area traveling westbound.

45. Through review of USPS business records relating to the Peekskill Dr PARCEL, US Postal Inspectors identified the USPS Priority Mail parcel bearing USPS tracking number 9505 5138 1342 2039 7063 80 (the "Blackhaw Dr PARCEL").
46. On February 11, 2022, US Postal Inspectors interdicted the Blackhaw Dr PARCEL upon arrival at the Reynoldsburg Post Office, 7185 E Main St, Reynoldsburg, OH 43068. The Blackhaw Dr PARCEL was observed to be addressed to "Vanessa Stewart, 6488 Blackhaw drive, Reynoldsburg, Ohio 43068" with a return address of "Carolyn Stewart, 2892 Irvington Ave, San Bernardino, Ca 92407". The Blackhaw Dr PARCEL was a USPS Priority Mail size large flat-rate mailing box. USPS business records indicate the Blackhaw Dr PARCEL was mailed from the Alta Loma Station Post Office, 6649 Amethyst Ave, Rancho Cucamonga, CA 91701 on February 8, 2022. The Blackhaw Dr PARCEL weighed approximately 6 pounds 11 ounces and the \$21.50 in US postage was paid for in cash.

47. On February 11, 2022, at approximately 10:52 a.m. EST, the Blackhaw Dr PARCEL was delivered to 6488 Blackhaw Drive, Reynoldsburg, Ohio 43068 by a US Postal Inspector serving in an undercover capacity as a USPS Letter Carrier. At the time of delivery, a white male, later identified by Ohio driver's license photo as Zachary J Popper (POPPER), was standing on the porch of the residence. The Blackhaw Dr PARCEL was delivered directly to POPPER and the undercover US Postal Inspector departed the area without incident.
48. At approximately 12:01 p.m. EST, the Chevrolet Malibu bearing Florida license plate JBJN68, previously observed at Peekskill Drive and still being driven by STRATTON, was observed to be circling the block around 6488 Blackhaw Drive several times before pulling into the driveway of the residence and parking. STRATTON exited the driver's seat of the vehicle, went to the front door of the residence and knocked. A few moments later a white female wearing a brown sweatshirt and red pants, later identified by Ohio driver's license photo as Tina Moore (MOORE) answered the door, hugged STRATTON, and handed her a USPS box consistent with the Blackhaw Dr PARCEL. STRATTON then returned to the vehicle with the box and departed the area with surveillance units following.

However, at this point the bag seemed noticeably lighter in weight. WHITE walked to his Chevy truck, removed a large cooler which was given to HARRIS and placed in the rear seat of the Honda Accord. WHITE then placed the trash bag deep into the bed of the truck on the passenger side and a short time later both HARRIS and WHITE departed the lot with surveillance units following. Immediately upon the Chevy truck departing, with both WHITE and the unknown black male, law enforcement secured the white trash bag which had just been dumped by WHITE and the unknown black male.

74. The bag was found to contain two (2) opened/empty USPS Priority Mail large flat-rate mailing boxes. One of these boxes still had the mailing label affixed identifying it as the Elim Manor PARCEL #3 which had just been delivered to HARRIS a short time before and was believed to have been taken into the BARBERSHOP by WHITE.

75. The boxes were secured and transported to a nearby law enforcement facility where the insides of both parcels were tested for narcotics residue using the MX908 Drug Hunter device. The parcel box identified as the Elim Manor PARCEL #3 box, via the still affixed USPS label, showed a positive test result for cocaine. The other box, which had the USPS label torn off, showed a positive result for methamphetamine.
